

GLOBAL CORPORATE SECURITY BOARD

Security Champions Make The World Go Around

Vision and Mission Statement

VISION is to be the leading platform for recognizing and celebrating excellence across corporate risk and security industries, providing prestigious awards, certifications, and memberships that inspire and motivate individuals and organisations to strive for greatness.

MISSION is to honour and highlight exceptional achievements by individuals and organisations in corporate risk and security industry, fostering a culture of excellence.

AIMS:

- Through our rigorous selection process, we aim to identify and acknowledge those who consistently demonstrate outstanding performance, innovation, and dedication in their respective fields.
- We strive to create a community of high achievers, offering exclusive memberships that provide access to valuable resources, networking opportunities, and continuous learning, empowering our recipients to further excel and make a lasting impact in their industries. •
- To attract students, trainees, apprentices, graduates and experienced professionals in welding, joining and allied technologies into membership and to take part in both the national and local branch activities of the Institute

MOTTO

- Security Champions Make the World go Around

About Us

At Excellence Awards, Certifications, and Memberships, we firmly believe that recognizing and celebrating excellence is crucial for driving progress and inspiring others to reach their full potential. Our platform stands apart from others, as we are committed to upholding the highest standards of integrity, transparency, and fairness in our selection process. We understand the importance of credibility and prestige, and our awards and memberships are highly regarded within the corporate risk and security industry.

By receiving an Excellence Award, a Certification, or becoming a member, individuals and organizations gain not only recognition but also access to a powerful network of like-minded individuals who are passionate about success. Our exclusive memberships provide unparalleled opportunities for collaboration, mentorship, and growth, enabling our recipients to stay ahead of the curve and continuously enhance their skills and knowledge.

We take pride in our ability to identify and honour those who consistently go above and beyond, setting new benchmarks for excellence. Through our platform, we aim to inspire individuals and organizations to push their boundaries, innovate, and strive for greatness. Join us on this journey of celebrating achievements, fostering a culture of excellence, and making a lasting impact in the corporate risk and security industry.

Core Values

1. **Commitment to Excellence:** We strive to recognize and celebrate exceptional achievements, showcasing individuals and organizations who consistently go above and beyond in their respective fields.
2. **Integrity:** We maintain the highest standards of honesty, fairness, and transparency throughout the awards and membership process, ensuring that deserving individuals and organizations are recognized without bias.
3. **Humility:** While we celebrate excellence, we do so with a humble tone, recognizing that true greatness often comes from a combination of hard work, dedication, and the support of others.

4. **Collaboration:** We believe in fostering a sense of community and collaboration among our award recipients and members, encouraging them to share their knowledge, experiences, and best practices for the betterment of their industries.

5. **Continuous Improvement:** We are committed to constantly evaluating and improving our awards and membership programs, ensuring that they remain relevant, meaningful, and impactful in recognizing and promoting excellence.

6. **Diversity and Inclusion:** We value and celebrate diversity in all its forms, ensuring that our awards and membership programs are accessible and inclusive to individuals and organizations from all backgrounds, cultures, and perspectives.

Gratitude: We express gratitude to all those who contribute to the success of our awards and membership programs, including nominees, winners, judges, sponsors, and supporters, recognizing that their involvement is vital to our mission.

7. **Empowerment:** We aim to empower individuals and organizations by providing them with a platform to showcase their achievements, connect with like-minded individuals, and inspire others to strive for excellence.

8. **Respect:** We treat all individuals and organizations with respect, valuing their unique contributions and recognizing their accomplishments, regardless of their size, industry, or background.

9. **Legacy:** We strive to leave a lasting legacy by recognizing and honoring excellence, inspiring future generations to push boundaries, innovate, and make a positive impact in their respective fields.

CERTIFICATIONS

We offer professional academic certifications are credentials awarded to individuals who have demonstrated a high level of expertise and knowledge in the risk,security,investigations and loss control field or industry. These certifications are often obtained through rigorous training, education, and examination processes, and they serve as a validation of an individual's skills and qualifications. This certification status can enhance career prospects, increase earning potential, and provide opportunities for professional growth and development.

AWARDS

As the Global Corporate Security Board we handout awards of excellence as prestigious honors given to individuals, organizations, or products in recognition of outstanding achievements or contributions in the risk and security management field. These awards are typically presented by board ,to acknowledge exceptional performance, innovation, leadership, or impact. The criteria for receiving an award of excellence vary widely depending on the specific context and the organization presenting the award.

Types of Awards of Excellence

There are various types of awards of excellence that are conferred in different domains. Some common categories include:

- **Professional Achievement Awards:** These recognize individuals who have demonstrated exceptional skills, expertise, and accomplishments within the risk and security fraternity. These awards often highlight significant contributions to the advancement of the security industry as a whole.
- **Innovation Awards:** Innovation awards celebrate groundbreaking ideas, technologies, or processes that have made a significant impact on a specific industry or society as a whole. These awards often emphasize creativity, originality, and practical application.
- **Leadership Awards:** Leadership awards honor individuals who have exhibited exemplary leadership qualities and have made a positive impact on their organizations or communities. These awards recognize vision, strategic thinking, and the ability to inspire and motivate others.
- **Product Excellence Awards:** Product excellence awards are given to companies or manufacturers whose products have demonstrated superior quality, performance, design, or functionality within their respective markets. These awards highlight innovation, consumer value, and market competitiveness.
- **Service Excellence Awards:** Service excellence awards recognize organizations or individuals that have consistently delivered exceptional service experiences to their customers or clients. These awards emphasize customer satisfaction, professionalism, and commitment to excellence.

- **Corporate;**
 - **Standard \$500**

A standard membership package for corporates typically offers a range of benefits and resources to help businesses thrive and achieve their goals. The package often includes access to networking events, industry insights, educational workshops, and discounts on various products and services. This membership can be particularly advantageous for boards, as it provides them with a comprehensive understanding of the market, access to best practices, and opportunities to connect with other industry professionals.

Key benefits of a standard membership package for corporates include:

- **Networking Opportunities:** A standard membership package often provides access to exclusive networking events, where members can connect with other professionals in their industry. These events can help boards to stay informed about the latest trends and developments and to identify potential partners or clients.
- **Industry Insights:** Membership packages often include access to industry reports, research, and data, providing boards with valuable insights into their market and competitors. This information can help inform strategic decision-making and ensure that the organization stays ahead of the curve.
- **Educational Workshops and Seminars:** Standard membership packages may also include access to educational workshops and seminars, where members can learn about best practices, new technologies, and industry trends. These events can help boards to develop a deeper understanding of their industry and to improve their decision-making abilities.
- **Discounts on Products and Services:** Membership packages often come with discounts on a variety of products and services, such as discounts on risk and security courses offered by the Global Institute Of Security Management.
- **Advocacy and Representation:** Standard membership packages often include representation on industry-specific councils, committees, or advisory boards. This involvement allows boards to have a voice in shaping policies and regulations that impact their industry and to advocate for their organization's interests.

○ **Bronze \$700**

The Bronze Membership Package is a corporate membership option designed to provide a range of benefits and resources to companies and their boards. This package offers an accessible and affordable way for businesses to gain access to valuable tools and networking opportunities, ultimately contributing to the overall success of the organization.

Features and benefits of the Bronze Membership Package

- **Access to Expert Advice and Resources:** The package provides companies with access to a network of experienced professionals, consultants, and industry experts who can offer guidance on various business matters. This includes advice on strategic planning, financial management, and legal matters, ensuring that the board is well-equipped to make informed decisions.
- **Networking Opportunities:** The Bronze Membership Package includes opportunities for members to connect with other corporate leaders, industry professionals, and experts in various fields. This fosters a sense of community and collaboration, allowing members to share ideas, best practices, and insights, ultimately contributing to the growth and success of their organizations.
- **Educational and Training Programs:** The package offers a range of educational and training programs designed to help board members stay up-to-date with the latest industry trends and best practices. These programs cover topics such as corporate governance, risk management, and leadership development, ensuring that board members are well-prepared to face the challenges of the modern business environment.
- **Discounted Rates for Events and Conferences:** Members of the Bronze Membership Package receive discounted rates for various events and conferences organized by the membership organization. These events provide an opportunity for members to expand their professional networks, stay informed about industry developments, and gain valuable insights from industry leaders.
- **Online Resources and Tools:** The package provides access to a wide range of online resources and tools, including research reports, white papers, webinars, and other

multimedia content. These resources help members stay informed about the latest industry trends and best practices, enabling them to make better-informed decisions for their organizations.

- **Gold \$1000**

Gold Membership Package for Corporates is an exclusive membership tier designed to provide top-level benefits and support to large organizations. This package is tailored to meet the specific needs of boards, offering a comprehensive suite of services and resources to enhance their decision-making capabilities, strategic planning, and overall performance.

Benefits of Gold Membership Package for a Board

- **Exclusive Access to Networking Events:** Gold Membership Package provides board members with access to exclusive networking events, conferences, and workshops. These events offer valuable opportunities to connect with industry leaders, share best practices, and stay updated on the latest trends and developments in their respective fields.
- **Comprehensive Board Education and Training:** Gold Membership Package offers a range of educational resources and training programs specifically designed for board members. These programs cover essential topics such as corporate governance, risk management, and compliance, enabling board members to enhance their knowledge and skills in these critical areas.
- **Customized Board Performance Assessments:** To help boards identify areas for improvement and optimize their performance, Gold Membership Package includes customized board performance assessments. These assessments provide valuable insights into the board's strengths and weaknesses, allowing for targeted interventions and continuous improvement.
- **Dedicated Support from Experts:** Gold Membership Package provides board members with access to a dedicated team of experts who can offer guidance and support on various issues, such as legal and regulatory matters, strategic planning, and crisis management.
- **Exclusive Research and Analytics:** Members of the Gold Membership Package receive access to proprietary research reports, industry benchmarking data, and in-depth

analytics. These resources enable boards to make informed decisions and stay ahead of the competition.

- **Preferential Rates for Additional Services:** Gold Membership Package holders enjoy preferential rates for additional services, such as board portal software, board evaluation services, and other resources that can enhance the efficiency and effectiveness of the board.

- Platinum \$1200

The Platinum Membership Package for Corporates is a premium offering designed to provide comprehensive support and resources to help businesses thrive in today's competitive landscape. This package offers a wide range of benefits tailored to meet the specific needs of corporate clients, ensuring that they can take full advantage of the latest industry trends and best practices.

Benefits

- **Exclusive Access to Industry Experts and Networking Opportunities:** Platinum members gain access to a network of industry experts and thought leaders, providing them with valuable insights and advice. Additionally, the package includes invitations to exclusive networking events, where members can connect with like-minded professionals and potential partners.
- **Comprehensive Market Research and Analysis:** The Platinum Membership Package provides corporations with access to comprehensive market research and analysis, enabling them to stay ahead of industry trends and make informed strategic decisions. This service includes regular reports, customized research, and expert guidance on market dynamics and emerging opportunities.
- **Customized Consulting and Advisory Services:** As a Platinum member, corporations can take advantage of personalized consulting and advisory services tailored to their specific needs. These services can include strategic planning, operational improvement, talent acquisition, and more, ensuring that businesses have the support they need to achieve their goals.
- **Priority Access to Education and Training Programs:** The package includes priority access to a wide range of education and training programs designed to help corporate employees develop new skills and knowledge. These programs can cover topics such as leadership development, technical skills, and industry-specific expertise, ensuring that businesses can maintain a competitive edge.
- **Discounted Rates on Additional Services:** Platinum members can enjoy discounted rates on additional services offered by the membership organization, such as event sponsorships, advertising, and promotional opportunities. These discounts can help businesses save money and maximize their return on investment.

- Enhanced Reputation and Brand Exposure: Platinum membership comes with increased visibility and recognition, helping businesses build their reputation and establish themselves as industry leaders. This can lead to greater credibility, increased market share, and a competitive edge in the marketplace.
- Complimentary Subscription to Publications and Resources: As a Platinum member, corporations receive complimentary subscriptions to relevant publications, newsletters, and online resources. These materials can help keep members informed about industry trends, best practices, and new developments.
